EXHIBIT A Project description

Diabetesforeningen har søsat en ny tradition: Sundhedspolitisk Åbningsdebat, som er en sundhedspolitisk konference, der gentages én gang årligt. Formålet med konferencen er at sætte rammen om den sundhedspolitiske debat som optakt til et nyt folketingsår. Afsættet for konferencen er en bred sundhedspolitisk debat med kronikerområdet som omdrejningspunkt. I år vil strukturkommissionen være det aktuelle tema.

Strukturkommissionen har blandt andet til opgave at finde løsninger på bedre samspil og forløb for de store kronikergrupper. Med 1,2 millioner danskere med kronisk sygdom – heraf 356.000 med diabetes er der behov for handling for bedre forløb og et løft af behandlingen ikke mindst for at mindske presset på sundhedsvæsnet. Vi stiller især skarpt på forskellige patientgruppers input til det gode patientforløb og dermed strukturer.

Praktisk:

Konferencen afholdes den 26. september 2023 på Christiansborg og Monika Rubin, MF for Moderaterne er vært for konferencen. Herudover forventes bred deltagelse af sundhedsordførere. Det endelige program er under udarbejdelse, oplægsholderne på konferencen vil være eksperter, ministre, og politikere fra hhv. Regioner og kommuner, embedsmænd, organisationer eller andre med fremtrædende roller på sundhedsfeltet. Og der afsøges oplægsholdere og input fra andre patientforeninger for at have en bred inddragelse af patientperspektivet. Lungeforeningen er på plads – og andre patientgrupper vil repræsenteres også.

Budget:

Udgift	Estimeret pris (ekskl. Moms)
Moderator	30.000 kr.
Transport og honorarer til enkelte oplægsholdere	10.000 kr.
Forplejning	50.000
Trykomkostninger	30.000 kr.
Markedsføring	10.000 kr.
Udgifter til moms	26.000 kr.
I alt	156.000 kr.
